they have imposed their mark in the names of the rivers, the word-endings -ari, -uni, -eni, meaning river or water. The ending -ari, often altered to -are, is ubiquitous west and north-west of the Orinoco as far as the foothills of the Andes—evidence of the former extent of the Arawak race. Most of the boatmen we recruited

MAP SHOWING DISTRIBUTION OF INDIAN TRIBES IN THE AREA OF THE UPPER ORINOCO

in the Orinoco basin and on the Amazonas slopes were Arawaks. As a result of countless voyages up and down the great rivers and as a consequence of many an invasion they are, anthropologically, a very mixed lot, even showing traces of Negro blood.

Caribs

Caribs were the late-comers to the territory. They include the Arekuna, the Yauarana, the Mapayo, the Yekuana and the Bekuana.
